

To make 8 1/2 square triangles at a time

From Pat Lay at LC Joanne's

Enter finished measurement	<input type="text" value="2.5"/>
Add 1 inch	3.5
Multiply the result by 2	7
Add 1/4 inch	7.25
Cut 2 squares this size	7.25

Press open with seam allowance toward the darker fabric.
Trim excess and square up.
