

Oregon Coastal Quilters Guild General Meeting February 14, 2019

The meeting was called to order at 1 p.m. by President, Diane Tillotson.

Announcements

Due to the bad weather conditions, we had our program ahead of the business meeting so Marie could get on the road, back to Bend.

Program

Diane introduced Marie Bostwick, an author and quilter who presented an enlightening, humorous program to the guild about her life, well lived. Marie showed pictures of quilts that accompanied her stories, the quilts were beautiful and filled with meaning and her stories delightful. We learned “author secrets”, heard a humor filled biography of Marie, enjoyed her bumper sticker “Marie for President – Lets Make America Great for Quilting” and a hush fell over the group as she shared her son’s story. Marie has published several books, starting with A Single Thread. Her newest book Hope on the Inside will be available for purchase on March 28th. Guild members received the gift of chocolate hearts from Marie as well as a program filled with wit and humor.
