ONE (1) TO SHARE

Creative placement
of blocks around a
center panel – from a
veteran's project kit.
Melissa quilted it for
practice on her new
Juki "sit down"
machine.

Base is a 6" block and sashing forms the flowers – a great stash-buster using 2 ½ " strips. The pattern came from Community Quilters.

Breath of Spring

Practicing my free
motion quilting...
don't look too
closely - I still have
a lot of practicing
yet to do

From a Veterans' Project kit I picked up at the open house – consisted of the center panel and 9 Ohio Star blocks made by Ginger Dale and various panel scraps. Not the usual red, white, and blue, but a fun quilt top to make. It measures 65" x 74".

God Bless
America
