

Quilt Guild Boutique

The "Boutique" part of the Quilt Show is a place for members to sell hand made items, books, magazines, fabric, etc. The guild will receive 13% of each member's sales. This increase in 2011 will cover the cost of credit card sales which amount to about ½ of total sales.

We will once again feature a Holiday corner and encourage you to look over some of your patterns for holiday gifts and decorations. An area that has NOT been covered in the past is doll clothes, and children's toys, so if that is something you are interested in, give it a try! see how it goes!

Procedures are as follows:

Call or e-mail the Boutique Chairperson, Betty Ballhorn at 444-2923 to obtain a consignment number, and a drop off time for your items on Thursday Pre-show. You may also sign up at May, June, and July Guild meetings. (You will need to bring a copy of the inventory sheet for our records at the drop off time, Please keep a copy for your records.)

To maintain consistency, we will be providing white string tags again this year which you can obtain at May, June and July Guild meetings. Use only these tags (You may use your own *if they are string tags*) Attach to textile items with a small safety pin. On hard surface items attach white string tag with adhesive dots or tape. These price tags need only three bits of information: consignee's identification number, item number & price.

The following format works best:

110-23
\$3.00

The first number is the consignee #, the second is the item number, and at the bottom is the price. SO, if you have 10 pincushions you would number them 110-1, 110-2, 110-3 etc, even if they are identical. *We need an item number for each item.*

Please bundle and tie fat quarters in groups if at all possible. Please do not price items less than \$1.00, except for magazines which typically are .50 and up. On larger fabric pieces, please tie in neat bundle and indicate total yardage.

(Avoid plastic bags for fabric pieces-They tend to slip off of the table!)

On Saturday, immediately following the close of the Quilt Show, Boutique volunteers will gather your items in preparation for your pick up. We will do this as quickly as possible. Your unsold items will be inventoried with a Boutique volunteer prior to removal from the Boutique.

Please be patient, we'll do this close out as promptly as we possibly can.

All forms will be available on our website.

May your Boutique sales be many! ☺
